SB06-PCT-US1008

Customer No.:

33549

DECLARATION FOR PATENT APPLICATION

This Declaration is made by Won Gu KANG.

I, Won Gu KANG, hereby declare I am a citizen of KR and that my residence and mailing address is
405 Internet Business Incubator Center, Mokwon Univ.
800 daan-dong, Seo-Gu, Daejeon 302-729

I further declare I am the original, first, and sole inventor of the subject matter which is claimed, described and for which a patent is sought on the invention now entitled Vaporizer with Integral Diaphragm? the specification of which has/have been provided to me at or prior to the time of signing this declaration. I have reviewed and understand the contents of this specification as above entitled, including any claims.

I also believe I am the original, first, and sole inventor of the subject matter which is claimed in and for which a patent is sought in Korean Utility Model Application Number 2004-0023988, filed April 8, 2004; Korean Patent Application Number 2004-0054337 filed July 13, 2004, and International Application Number PCT/KR2005/001013 filed April 8, 2005.

I hereby declare that the specification and disclosure herein submitted are intended to include disclosure or claims directed to, individually or in combination: embodiments of the invention which may encompass a device, apparatus, method, process, or business method; embodiments of the invention which may encompass permutations or combinations of any aspects of the invention; any aspect of the invention conceived or developed as separate inventions; and any aspect of the invention independent of any initial context considered as preferred embodiments. I also authorize and support this application for patent protection in the United States to be sought to the extent or breadth any owner desires or deems appropriate. I acknowledge that each of the attorneys and the firm filing this application are acting as attorneys for the assignee, Sebine Technology, Inc. only.

I acknowledge the duty to disclose information which is material to the examination of any US application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of any US application or any US patent issued thereon.

I hereby grant the firm of Santangelo Law Offices, P.C., the power to insert on this Declaration or any other document any further identification which may be necessary or desirable in order to indicate filing information or to comply with the rules of the United States Patent Office or any foreign patent office for recordation of this document, including, but not limited to, inserting the application number, the execution date, mailing information, or the filing date of any application based upon the Invention.
